# Let's Write the Chinese Zodiac

The Year of the Tiger is associated with the Earthly Branch symbol 寅.

Years of the Tiger include 2022, 2010, 1998, 1986, 1974, 1962, 1950, 1938....

In the zodiac race, I ran a good race but the current in the river sent me a little off-course. I recovered enough to cross the line behind the ox and so I came in at number three.

虎

People born in the year of the Tiger are kind, confident, and has a good imagination.
